2. Representations

2-A Responsible Authorities	
Responsible Authority:	Metropolitan Police Service
Representative:	PC Steve Muldoon
Received:	24 November 2022 (Withdrawn 30 November 2022)

Dear Westminster Licensing Team,

The Metropolitan Police Service (**MPS**) objects to this application as it is likely that if the application were to be granted, the premise would undermine the following licensing objective/s:

- **The Prevention of Crime and Disorder.**

The reasons for this objection are as follows:

- The conditions offered within the operating schedule do not sufficiently demonstrate how the premise intends to promote the licensing objectives.
- The hours offered are outside of core hours for an off licence.

Following a meeting with the proposed DPS/Owner I am told the owner has previously agreed with the council that he will reduce the hours of operation to core hours and will now be applying for a licence for 8am – 11pm.

The DPS/owner on discussion at the venue on the 23rd of November agreed to the below conditions. If this is agreed in writing, then my objection will be withdrawn.

- (a) The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Westminster Police Licensing Team.
(b) All entry and exit points will be covered enabling frontal identification of every person entering in any light condition.
(c) The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises and will include the external area immediately outside the premises entrance.
(d) All recordings shall be stored for a minimum period of 31 days with date and time stamping. (e) Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31-day period.
- A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
- All sales of alcohol for consumption off the premises shall be in sealed containers only, and shall not be consumed on the premises.
- All tills shall automatically prompt staff to ask for age verification identification when presented with an alcohol sale.
- No super-strength beer, lagers, ciders or spirit mixtures of 5.5% ABV (alcohol by volume) or above shall be sold at the premises, except for premium beers and ciders

supplied in glass bottles and cans.

- No single cans or bottles of beer or cider or spirit mixtures shall be sold at the premises.
- No more than (15)% of the sales area shall be used at any one time for the sale, exposure for sale, or display of alcohol. MC32 There shall be no self-selection of spirits on the premises, save for spirit mixtures less than 5.5% ABV.
- A Challenge 21 or Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
- An incident log shall be kept at the premises and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received concerning crime and disorder
 - (d) any incidents of disorder
 - (e) any faults in the CCTV system, searching equipment or scanning equipment
 - (f) any refusal of the sale of alcohol (h) any visit by a relevant authority or emergency service

The Metropolitan Police withdrew their representation on the 30th November 2022 as there has been a reduction in hours and conditions have been agreed and with the applicant. These conditions can be found at Appendix 4.

<p>It is neither necessary nor appropriate for this retailer to sell alcohol, and certainly NOT to be licensed until 0100 a.m..</p> <p>Most of the businesses in this area - including the Off Licence on the corner of Sutherland Avenue - close at 11pm. If it became known that there was a later opening available nearby it would encourage certain people to visit the area specifically to buy alcohol, and possibly cause noise and disturbance in a largely residential area.</p> <p>Vulnerable individuals (there is a St Mungo's hostel just down the Harrow Road) for whom alcohol is problematic would not benefit from its increased availability.</p> <p>There is already more than sufficient similar provision nearby in what is supposed to be a 'shopping area' and this business adds nothing to the needs nor variety of provision. It should not remain open or sell alcohol until 0100, but should close by 11pm at the latest.</p> <p>After the agreement to the reductions in hours and conditions from the Police and Environmental Health, the Interested Party withdrew on the 6th December 2022.</p>

<p>Dear Mr Rowe</p> <p>I would like to raise some very serious comments regarding the application of the above property and its proposals...There really is no need for yet a grocery shop / offlicence at these premises as we already have 4 grocery shops in the vicinity two already open to the early hours of the morning which causes untold amount of parking issues and late night selling. Out of the 4 shops 2 sell alcohol as well as a single standing off licence that's 3 premises that sell alcohol along with this new propose shop which I hasten to add looks fully equipped and ready to go even though it has not been approved.why did you send a letter asking for our opinions when the shop had already been furnished and filled. All of these shops are on or between two roads where customers are constantly parking and causing congestion there are undesirables causing all sorts of noise and aggressiveness when drunk with police and there sirens at who knows what time of the morning. There has to be a cut off point where Westminster has to realise that there really is no need for another shop of this calibra to be opened. Look for yourself and just consider what the tenants of the area are dealing with</p> <p>Please note as recent as Friday night /Saturday morning a police report can be had on one of the premises selling Alcohol in the vicinity of the proposed application</p> <p>Further Submissions Recieved: 16.11.2022</p> <p>I feel that this shop is failing on all the above points as it is between two schools and the shop not even 25feet away has issues with police.....The shop in question has been stocked and is ready to open by the looks of things.....Why are you asking people opinions yet allowing the premises to be ready for business??????????</p>

<p>I object to the late-night sale of alcohol at 332 Harrow Road. This is a residential area, not a late-night drinking area. I am the owner occupier of a flat in the Carlton Gate residential complex directly across the road. There are two residents' access gates directly across the road from 332 Harrow Road. There is already a significant amount of crime and antisocial behaviour related to drugs and alcohol on this section of Harrow Road in front of the residents' gates. This includes break-ins and assaults (some with the use of weapons). Allowing the sale of alcohol until 1am will contribute to further crime and antisocial behaviour and is wholly irresponsible. I would like to note that the Fast-food premises next door to 332 Harrow Road reduced its opening hours in recent months due to increasing amounts of anti-social behaviour after 11pm.</p> <p>After the agreement to the reductions in hours and conditions from the Police and Environmental Health, the Interested Party withdrew on the 6th December 2022.</p>	

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives

	<p>than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</p> <p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for this application for each premises use type as defined within this policy are:</p> <p>11b. Shops (off-sales of alcohol where it forms either the ancillary or primary use of the premises) Monday to Saturday: 8am to 11pm. Sunday: 9am to 10.30pm.</p>
<p>Policy SHP1 applies</p>	<p>A. Applications for a shop outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1. 4. The applicant having taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. 5. The application and operation of the venue meeting the definition of a shop in Clause C. <p>B. Applications for a shop inside the West End Cumulative Impact Zone will be considered on their own merits and subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1. 4. The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone. 5. The application and operation of the venue meeting the definition of a shop in Clause C.

	<p>C. For the purposes of this policy:</p> <ol style="list-style-type: none"> 1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment. 2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop. 3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence.
