Finance, Planning and Economic Development Policy and Scrutiny Committee

ROUND 5 9 th March 2023		
Agenda Item	Action	Status/Follow Up
Update from the Cabinet Member for Planning and Economic Development	Given the level of vacated properties, particularly on high streets, what are the projections for what can be achieved by pop-ups, are they likely to lead to long-term improvements to high streets and (small) businesses?	Awaiting Response
	Members suggested that pop-ups, enterprise spaces and employment schemes required more promotion, to improve their reach and achieve the positive outcomes they are capable of delivering	Noted by the Cabinet Member and Officers present. No response received/necessary
Update from the Cabinet Member for Finance and Council Reform	The Cabinet Member, through the revenues and benefits team, was asked to provide a greater in depth explanation as to contributing factors that explain the Council Tax collection 'gap'. Members also requested more detail on how this shortfall is being addressed.	This is provided in the Cabinet Member update for May's Committee. The Cabinet Member will take any questions on the information provided.
Oxford Street Programme	To bring back the Oxford Street Programme when a clearer picture of funding is available and the business case has been completed and can be brought to the Committee.	This has been added to the Work Programme for 2023/24 on 26 th September 2023.
