<b>2.</b>	<b>Representations</b>
-----------	------------------------

<b>2-A</b>	<b>Responsible Authorities</b>
------------	--------------------------------

<b>Responsible Authority:</b>	Environmental Health
<b>Representative:</b>	Sally Fabbricatore
<b>Received:</b>	29 March 2023

I refer to the new Premises Licence for the above premises. The premises does already benefit from a licence 16/07297/LIPVM.

This representation is based on the Operating Schedule, and layout plans for the basement, ground floor and first floor plans referenced with address, and dated 10/2/22.

The applicant is seeking to provide Late Night Refreshment both 'indoors and outdoors' from 23:00 hours to 02:00 hours Monday to Sunday.

I wish to make the following representation in relation to the above application, the proposed of hours and activity of Late Night Refreshment may cause an increase in Public Nuisance in the area and may impact on Public Safety.

Further information has been provided, which is being considered, but further conditions may be proposed by Environmental Health in order to protect the Licensing Objectives.

**The granting of the new Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the area and may impact on Public Safety.**

<b>Responsible Authority:</b>	Metropolitan Police Service
<b>Representative:</b>	Dave Morgan
<b>Received:</b>	27 March 2023 <b>(withdrawn 24 April 2023)</b>

With reference to the above, I am writing to inform you that the Metropolitan Police Service as a Responsible Authority are **objecting** to this application on the basis that if granted, it would undermine the Licensing Objectives, namely The Prevention of Crime and Disorder.

At present, you are seeking the following:

**1. Provide late night refreshment Indoors & outdoors at the following times:**

- **Monday-Sunday: 2300 - 0200 hours**

The hours being sought are beyond those of Westminster Councils core hours policy. There are also concerns that fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol. The Metropolitan Police Service are also concerned with the levels of crime and disorder that happen outside fast food premises late at night due to alcohol fuelled behaviour, and the opportunities for crime afforded by the congregation of people.

There is insufficient detail within the operating schedule to promote the Licensing Objectives and we have concerns that if granted, this application will cause further policing problems in an already demanding area.

I would therefore urge the applicant to supply me with further information on how the Licensing Objectives will be promoted and how the venue will not add to any cumulative impact in the area and consider reducing the hours sought nearer to those of the core hours policy.

Also, can you please can you confirm whether the venue will be providing takeaway deliveries (Deliveroo, Just Eat etc) and if so, what measures will be taken to avoid any anti-social behaviour of the riders/drivers?

Please feel free to contact me should you wish to discuss the matter further.

**Following the reduction of hours and agreement of additional conditions, the Metropolitan Police withdrew their representation on 24<sup>th</sup> April 2023**

3.	<b>Policy &amp; Guidance</b>
The following policies within the City Of Westminster Statement of Licensing Policy apply:	
<b>Policy HRS1 applies</b>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> <li>2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.</li> <li>3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.</li> <li>4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.</li> <li>5. The proposed hours when any music, including incidental music, will be played.</li> <li>6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.</li> <li>7. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.</li> <li>9. The capacity of the premises.</li> <li>10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.</li> <li>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</li> </ol>

	<p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for This application as defined within this policy is:  <b>8. Restaurants:</b> Monday to Thursday: 9am to 11.30pm.
