

(To be placed in Packet 5 at close of poll)

Date reviewed	Officer initials

Polling Place Review

Polling place – evaluation checklist

Part A – Current polling place details		
Polling place identifier (Polling District letters)		
Polling place name		
Polling place address		
Number of electors (Electoral Services to complete)		
Building availability for future elections/referendums (Electoral Services to complete)		
Polling place review		
Check	√	Comment
• Are there suitable transport links?		
• Are there any access issues regarding main/busy roads, railways, etc?		
• Is the polling place capable of accommodating more than one polling station together with the necessary staff and equipment? If so, could it accommodate all voters going in and out of the polling stations, even where there is a high turnout?		
• Is the building readily available in the event of any unscheduled elections? • Is there any possibility that the building may be demolished as part of a new development?		

<p><i>Identify any complaints/comments received from stakeholders at previous electoral events</i></p>

Date reviewed	Officer initials

Part B – External areas access and facilities		
Check	(√)	Comments
• Is the approach to the building safe and free from obstructions and does it have a dropped kerb?		
• Is the building clearly identifiable?		
• Does the polling place require extra signage from the road?		
• Is there the facility to put up the required signage for polling day?		
• Are there parking facilities for disabled people?		
• Are there parking facilities for polling staff?		
• Does the approach to the building have external lighting?		
• Does the building have level access? Yes/No. If no -		
• Has a purpose built ramp been installed?		
• If so, does it have a handrail?		
• Does the ramp have a gentle slope?		
• Does the building require a temporary ramp or is there an alternative disabled route?		
• Is the entrance door wide enough for a disabled person using a motorised wheelchair?		
• Are the doors light enough for frail/elderly voters to open, as well as wheelchair users?		
• Can the 'Guidance for voters' notice be clearly displayed outside the premises, fitting with the election rules?		
• Are there any external security concerns? If Yes – please advise		
• Can tellers be accommodated outside the building?		

Please complete template B1 showing external layout, street names, car parking, ramps, steps, lighting and appropriate places for signage.

Date reviewed	Officer initials

External plan – B1

Show external layout, street name(s), car parking (including disabled car parking), ramps, steps, lighting, appropriate places for signage, etc.

Sketch layout; provide photographs as appropriate.

Date reviewed	Officer initials

Part C – Internal areas access and facilities		
Check	(√)	Comments
• Are all doors easy to open (including by wheelchair users) or do they need to be permanently locked back?		
• Are there any internal steps or obstructions/hazards?		
• Are any doormats level with the floor? If not can they be removed?		
• Is the floor covering non-slip (especially in wet weather)?		
• Are there any corridors that may cause access problems?		
• Is there adequate lighting in the corridors?		
• Are there toilet facilities?		
• Is there a kitchen that staff can use?		
• Is the area adequately lit for day and night time?		
• Is there adequate space for signage?		
• How many polling stations can the building accommodate?		
• Does the building have a telephone for use in emergencies?		

Please complete template C1 below showing internal areas including corridors, internal doors, kitchen, toilets and highlighting any possible signage requirements and potential hazards in relation to access to the polling station itself.

Date reviewed	Officer initials

Internal access leading to polling station(s) – C1

Show internal areas of the building, excluding the actual polling station where voting will take place, including corridors that link to the polling station, kitchen, toilets and highlighting any possible signage requirements and potential hazards. Also indicate any areas of poor lighting, door swing direction and ease of opening, and areas of uneven floor, etc.

Sketch layout; provide photographs as appropriate.

Date reviewed	Officer initials

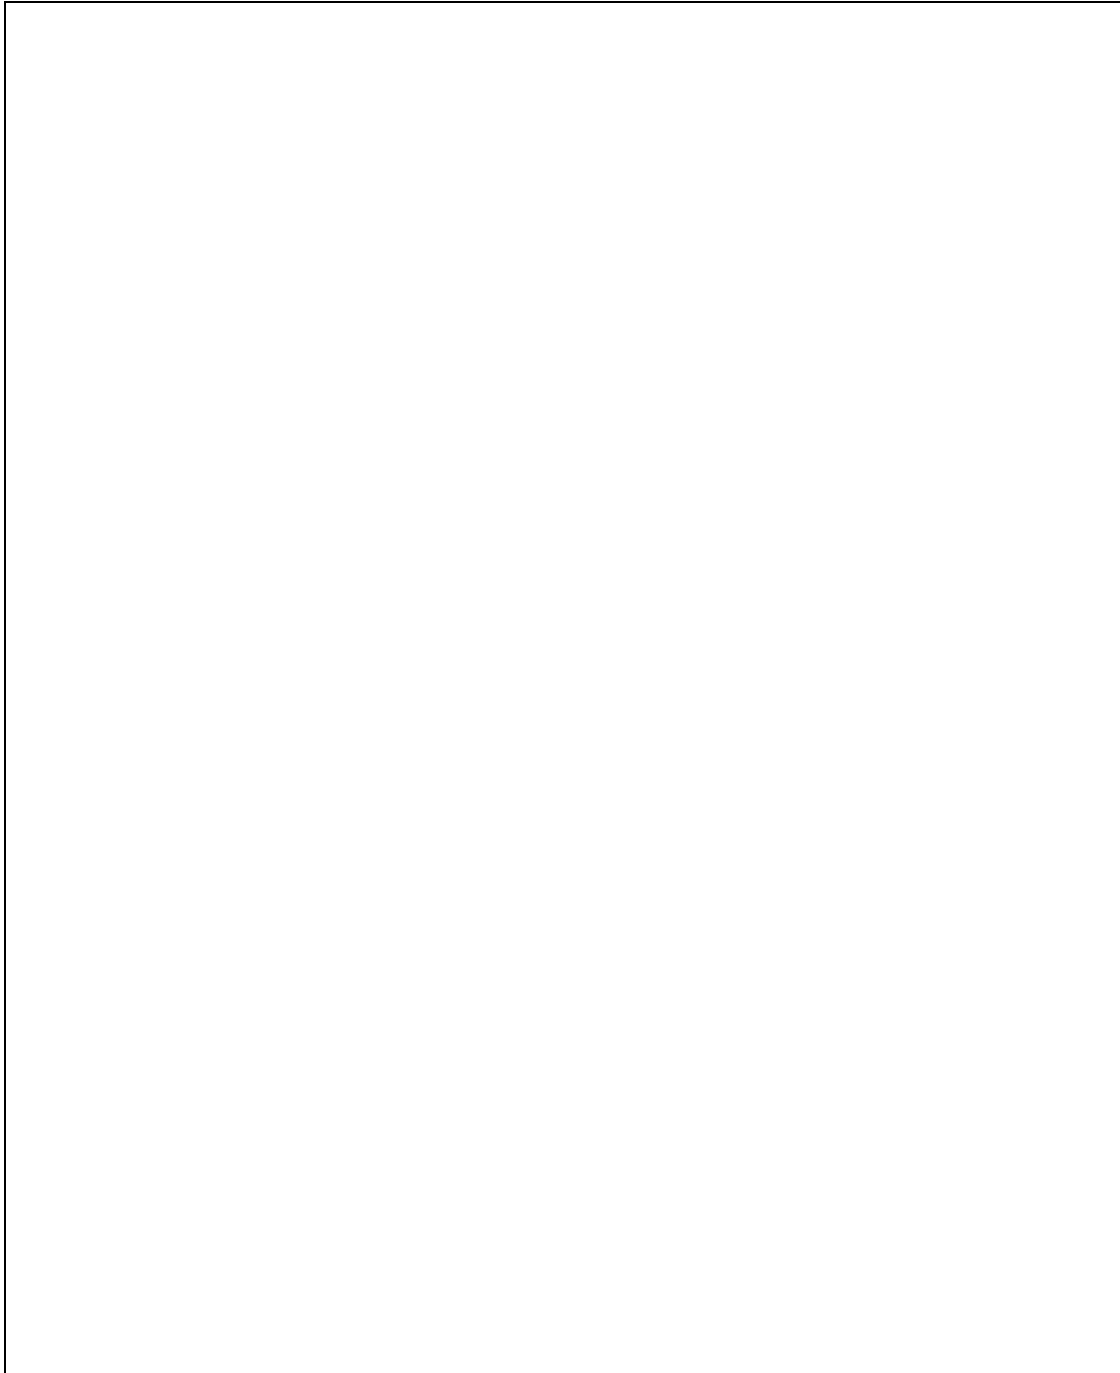

Part D – The polling station(s)		
Check	(√)	Comments
• Is there sufficient space inside the polling station to comfortably accommodate staff, voters, polling agents and observers?		
• Is there sufficient space for administering all types of elections, including combined elections?		
• If multiple polling stations need to be provided, are there other rooms available, or can the space be divided to provide adequate room for more than one polling station?		
• In case of high turnout, is there sufficient space for managing the flow and accommodating a high volume of electors? If yes, could ballot booths be positioned in a way that would preserve the secrecy of the ballot?		
• Is there adequate lighting for day and night time?		
• Is there suitable furniture (tables and chairs) available for all types of election for polling staff and those voters who may need to rest?		
• Can the official notices be clearly displayed, including the large-print version of the ballot paper(s)?		

Please complete template D1 indicating how the polling station should be laid out to accommodate all those entitled to be inside the polling station, taking into account access requirements for all voters, including those in wheelchairs, and demonstrating how the space should be used to ensure the most efficient flow of voters and the effective administration of the voting process.

Date reviewed	Officer initials

Internal – The polling station(s) – D1

Identify the space and shape of the area available for polling. Include the position of the door(s), any windows and how the furniture and equipment should be laid out to ensure the effective administration of and best possible access to the voting process.
