1. Executive Summary

The LSCP Annual Report is a report of the work of the multi-agency Local Safeguarding Children Partnership across Kensington and Chelsea and Westminster. It gives an overview of the work of the Partnership during 2022-2023.

2. Background

The Local Safeguarding Children Partnership is required to publish an annual report of its work. The LSCP covering Kensington and Chelsea, and Westminster has completed the annual report detailing the work against the key priorities:

- reducing the harm of domestic abuse and coercive control
- safer communities (including child exploitation and serious youth violence)
- recovery from Covid-19 pandemic
- transitional safeguarding

The report gives an overview of the multi-agency safeguarding children training that we provide to the children's workforce across the Partnership, as well as the local learning from multi-agency audits and local as well as national case reviews.

This is the second annual report of the new Local Safeguarding Children Partnership covering Kensington and Chelsea and Westminster, following the disaggregation from Hammersmith and Fulham.
