Representative:	Anil Drayan

Received:	18 December 2023
------------------	------------------

The premises are located in the West End Cumulative Impact Zone.

Environmental Health make representations against this application as the proposal may adversely impact on the Public Nuisance and Protection of Children from Harm licensing objectives.

In adequate conditions have been provided, such as, how alcohol shall be controlled from access to the public when the premises is open for non-licensable activities. I also understand the applicant is the same as the previous licence holder whom the Police had concerns how that licence was being operated.

The applicant is requested to contact the undersigned to discuss the above after which additional conditions may be proposed.

Responsible Authority:	Metropolitan Police Service
-------------------------------	-----------------------------

Representative:	PC Tom Stewart
------------------------	----------------

Received:	14 December 2023
------------------	------------------

I am writing on behalf of the Commissioner of the Metropolitan Police Service ("The Police") to make representations opposing the grant of a premises licence application for **61 Kingly Street London W1B 5QL.**

The application seeks the following:

Sale of Alcohol (off the premises)

Monday to Sunday 13:00 to 23:00

Opening Hours to Public

Monday to Sunday 06:30 to 23:00

The Police submit that, if granted, the premises would undermine the licensing objective 'The Prevention of Crime and Disorder, The prevention of Public Nuisance and The Protection of Children from Harm', as well as adversely affect cumulative impact within the West End Cumulative Impact Zone ("CIZ").

This premises falls within the Shops Policy ("SHP1") and it is the Licensing Authority's policy to consider such applications within the West End Cumulative Impact Zone on its merits and subject to the following:

- The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone
- The application meeting the requirements of policies CD1, PS1, PN1 and CH1.

The Police submit that the applicant has failed to address the above points. The Police submit that the application will adversely impact on Cumulative Impact. The applicant has failed to show how they will promote the licensing objectives, The Prevention of Crime and Disorder, the prevention of Public Nuisance and the Protection of Children from Harm (“CD1, PS1, PN1 and CH1”) by failing to provide sufficient conditions within the operating schedule.

The applicant has a history of non-compliance at the premises. The premises had the benefit of a premises licence (22/02704/LIPDPS) between March 2022 and March 2023. The licence was surrendered by the applicant following several breaches of the licence witnessed by Police. It is unclear what, if anything has changed at this time to demonstrate that the applicant will be able to comply with this premises licence or promote the licensing objectives if granted.

The Police request that this application is refused.

<p>We object to this application for a new licensed convenience store. 61 Kingly Street is in an area that is predominantly already made up of premises selling on and off sales of alcohol.</p> <p>There are too many shops selling alcohol in Soho. If people wanted to take alcohol home, they would buy it locally (no-one is far from a licensed convenience store in London). So the only purpose of buying from a convenience store is to drink it on the street. We know it is common practice in Soho for individuals or groups to purchase alcohol at convenience stores, wander round Soho, or gather in a public place, drink on the street, become inebriated, or more inebriated, and cause noise and bad behaviour including street urination. Inebriated people also attract crime gangs to the area and can be the victims of crime.</p> <p>We note that the application is for an extension of core hours to 23.00 on Sundays.</p> <p>The new CIA is pointing towards a presumption to refuse all new application applications and variations in the WECIZ.</p> <p>The Committee will be aware the premises is situated within the West End Cumulative Impact Zone and the onus is on the applicant to demonstrate they will not increase cumulative impact and will promote the licensing objectives.</p> <p>Increasing the number of licensed premises in the West End CIZ is highlighted in the recently published draft Cumulative Impact Assessment 2023, it confirms crime levels in Westminster has reached pre-COVID levels and since the last Cumulative Impact</p>			

Assessment 2020 crimes have concentrated even further in the West End. The modelling shows a 50% increase in undesirable behaviours from any new OR extended licence.

The evidence is clear any addition in the number of hours, the number of people consuming alcohol, the number of licensed premises will fail to promote the licensing objectives and increase cumulative impact. It concludes with a proposed new Licensing Authority Statement which states;

*'It is the view of the Licensing Authority that **the number of relevant authorisations in respect of premises in parts of the West End is such that it is likely that it would be inconsistent with the authority's duty under section 4(1) Licensing Act 2003 to grant any further relevant authorisations or variations in respect of premises in that area.** In accordance with section 5A(6) of the Licensing Act 2003 the Licensing authority will consult on its intention to publish this cumulative impact assessment prior to its final approval and publication.'* (**our emphasis**) (Appendix 1 Cumulative Impact, Appendix 2 Crime and Disorder).

Soho is at the heart of the West End's food, beverage and entertainment district with its **491** licensed premises, the demand for licensed premises in the West End and Soho shows no tendency to reduce, from 2020 to November 2023, 51 new alcohol licences have been granted with a capacity of over 4,245.

There are very real concerns amongst residents about the ever increasing numbers of licensed premises. We know residents who live near the premises already suffer from noise and disturbance which is caused by dispersal from premises in this area, its had a huge impact on their health and well being.

Residents have been subjected to noise disturbance and anti-social behaviour that are beyond acceptable levels. They are disturbed by the late night activity as people walk by (often shouting, or arguing), noise from pedicabs, car doors slamming, horns hooting, people vomiting and urinating [REDACTED]. Residents are also often disturbed even if an establishment is not located directly on their street, as customers (often noisy and intoxicated) leave premises and either carry on their night out in Soho or make their way home.

We know many residents experience sleep disturbance, [REDACTED] conducted a survey which confirms that residents are disturbed by noise at night, and say that this is having a negative impact on their lives. 87 people responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80, 59% of whom have lived in Soho for more than ten years.

When asked about disturbed sleep, 24% of respondents say they have their sleep disturbed seven nights a week, 16% five or six nights a week, and 19% three or four nights a week.

Furthermore, 64% of respondents agreed that noise nuisance from increased commercial activity at night is the most serious problem impacting Soho residents' quality of life.

62% of respondents agreed that the council should not grant any extensions of hours for premises in Soho.

60% of respondents agreed that noise nuisance and sleep deprivation is "adversely impacting my health" and the health of the people they live with.

46% of respondents agreed that noise nuisance is so bad that they have considered moving away from Soho.

The full survey can be found in **Appendix 3**.

In summary, this application for an off sales licence will increase cumulative impact and fail to promote the licensing objectives.

Yours faithfully,

Appendix 5 : ██████████

Appendix 1 : Cumulative Impact

This area has been identified by Westminster City Council as under stress because of the cumulative effect of the concentration of licensed premises has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses. The evidence presented in the draft Cumulative Impact Assessment 2023 continues to show high levels of cumulative impact in the West End Zone 1 in 2022, it states,

*‘West End Zone is the epicentre for issues associated with cumulative impact within the **borough.**’ (p.50)*

The proposed Licensing Authority Statement strengthens the previous 2020 CIA statement in acknowledging the increasing and detrimental impact of the large number of licensed premises in the West End, it concludes,

*‘It is the view of the Licensing Authority that **the number of relevant authorisations in respect of premises in parts of the West End is such that it is likely that it would be inconsistent with the authority’s duty under section 4(1) Licensing Act 2003 to grant any further relevant authorisations or variations in respect of premises in that area.** In accordance with section 5A(6) of the Licensing Act 2003 the Licensing authority will consult on its intention to publish this cumulative impact assessment prior to its final approval and publication.’ (p.80)(our emphasis)*

In any application for an alcohol licence in the Cumulative Impact Zone the applicant is required to demonstrate that the application will not increase the Cumulative Impact. In the draft Cumulative Impact Assessment 2023 the modelling shows an overall factor of up to 1.5, which means that for every additional licence granted the number of undesirable behaviours expected in the area in a year would increase by up to a multiple of 1.5. This means a **50% increase in undesirable behaviours from any one new or extended licence, similarly the figures suggest a 26% increase in reported theft for each additional licence issued - for whatever type of venue: club, restaurant or café.** In relation to noise, it concludes,

‘The number of licensed premises is a significant factor in the generation of noise complaints.’

The policies in relation to the cumulative impact zone are directed at the global and cumulative effects of licences on the area as a whole (D16. of the SoLP).

D23. ‘The proximity of residential accommodation is a general consideration with regard to the prevention of public nuisance. It goes on, *‘The nature of cumulative impact is that it is cumulative and affects not only the immediate vicinity of the premises, but the wider area; thus the number of people visiting the premises, the nature of licensable activities and the lateness of operations have an impact on an area as a whole, irrespective of whether or not there is residential accommodation in proximity to the premises.’ (our emphasis)*

It is important to note the policy relates to the global effects of alcohol licences in the whole impact zone and not just a part of it.

Appendix 2 : Crime and Disorder

The draft Cumulative Impact Assessment 2023 states by September 2022 crime in Westminster had reached pre-pandemic levels. It compared the proportion of crimes that occurred in 2022 against the period of the 2020 CIA (2017 - 2019) it indicates that **‘crimes within Westminster has concentrated even further within West End Zone 1.’**

It confirmed the majority of the hotspots for the four major crime types (overnight thefts, robbery, drug offences, violence against person) were closely concentrated in the West

End, stating,

'This provides further evidence to the greater prevalence of criminal offences within this area, and given the temporal nature of this analysis, also suggests that criminal activity within this area is getting worse.'

Overall the West End Zone 1 accounts for:

- Just under 66% of all crime in Westminster
- 47% of violent crimes - approximately 59% at night (most prior to and after midnight)
- 44% (968) of all overnight robberies
- Over 65% of sexual offences.
- 52% of all night time alcohol related ASB
- 74% drug offences, small clusters include Soho - Old Compton Street
- 57% of all ASB call details included reference to public house/nightclub, night-time transport route, station, hotel or restaurant establishment

It confirms the majority of crime takes place on Friday / Saturday and Saturday/Sunday between 6pm - 6am. Overnight crime is identified as being particularly prevalent in Old Compton Street, Greek Street and Frith Street.

The level of crime, disorder and anti-social behaviour continues to be a huge problem in Soho, the crime figures are high and rising. The police crime reports for April/May 2023 shows current levels of alcohol related assaults, sexual assaults and robberies within the West End area are now higher than at pre-COVID levels. The peak times for crime being between 10pm - 2am.

In Soho the majority of robberies take place at night, with people being targeted as they leave venues. Alongside the robberies and assaults drug dealing is a huge problem with groups of dealers congregating to sell drugs to people as they leave premises or as they pass by. There are more dealers in the area at night than during the day, this is directly linked to the large number of venues and people which creates the drugs market. Pickpockets also operate in the area, they are a part of a well organised criminal group who arrive in a van at night and disperse into Soho before returning to be driven away.

It is well known that intoxicated people become victims of crime, their vulnerability being exploited by gangs or individuals who are in Soho explicitly to target them.

Appendix 3 : ██████████ Sleep Survey Results - 31 October 2022

There are real concerns amongst residents about the ever increasing numbers of licensed premises and people on the streets at night causing disturbance, they have been subjected to noise disturbance and anti-social behaviour that is beyond acceptable levels. They are disturbed by the late night activity as people walk by either shouting, screaming or arguing, noise from pedicabs, car doors slamming, horns honking, and are subjected to anti-social behaviour with people vomiting and urinating in the street and in their doorways.

Residents are also disturbed even if an establishment is not located directly on their street, as patrons usually intoxicated leave premises and either carry on their night out in Soho or as they make their way home making a noise and disturbing residents along the way.

It is therefore unsurprising that a survey conducted by ██████████ confirms that residents are disturbed by noise at night and this is having a negative impact on their lives.

87 people responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80, 59% having lived in Soho for more than 10 years.

59% have lived in Soho more than 10 years 26% between 3 and 10 years

6% between 1 and 3 years and

9% have lived here less than a year 42% own their homes

20% are Soho Housing Association and the rest tenants with other landlords 10 respondents

████████████████████ I find it extremely exhausting not able to have rest at night, Screams and noise of drunk people every night, The Landlord WCC does not want to change the windows to a double glazing nor allow tenants to pay privately for windows to be upgraded. Noise at home, lack of sleep, and concentration in the day time. I ████████████████████ I recorded noise levels of 97db outside the pub at the corner of ████████████████████

More consideration needs to be given to residents from councillors, people visiting the area and local businesses in particular those who serve alcohol and have late night licences. Decisions such as granting planning and licence applications should not be made by people who do not live in the area and are therefore not impacted by the decision making.

Very difficult to get the local authority to understand and take complaints seriously. Officers often helpful but then the case goes to committee and they always seem to rule in favour of the commercial premises rather than residents.

There is supposed to be a presumption to refuse new licences but in practice the council still lets new things through until after Midnight, which is far too late and has made a nonsense of the policy.

There should be a quiet window of 11pm to 8am every day. 7am deliveries are far too early for a lot of people if they are noisy or use cages or refrigeration.

████████████████████ Regularly now (most nights) there are traffic jams in the street at 3am in the morning with cars picking up people leaving clubs. The cars frequently are using their horns. Last night they had their door open with music blaring. we have 2 motorbike stands close together. 1 in ████████████████████ and 1 in ████████████████████ There is always at least one bike revving up at either 3am or really early like 530am This noise has changed and increased over the past 3-4 years. I am woken up most nights at about 3am. And i have double glazing and ████████████████████.

Businesses take no responsibility for their customers drinking/eating and mainly shouting outside, including when they are queuing, and particularly when they are leaving. Post al fresco, there is a new attitude that anything goes on the streets and that includes contempt for the community who live here. The Council need to rethink this and put some major resource into enforcement.

████████████████████ It's never been this noisy!

Early hours waste collections (including bottle smashing) also includes the food & beverage businesses putting their waste in the street and bottle bins at anti-social hours ahead of collection times. Our local restaurants are not supposed to put bottles out between the hours of 23:00 and 07:00 but they frequently do. Frequently delivery trucks some with noisy refrigeration units are also delivering early hours.

Also deliveries & pedicabs. Unfortunately my lack of sleep due to noise has caused serious health issues and I now cannot work and suffer anxiety and depression. I'm woken up on average 5 times per night and have considered suicide. Why I'm being denied sleep between the hours of 11pm and 7am astonishes me. The freeholders Shaftesbury Carnaby show a total disrespect to the effects that noise has on the residents of Soho

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
 9. The capacity of the premises.
 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days

	<p>are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <ol style="list-style-type: none"> 1. 4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

Applicant's response to the Licensing Authority representation

Dear Ms Haq,

I am aware of Mr Patel's past misdemeanours. I have discussed these with him and the possible consequences if he repeats them. He is cognescent of the applied meanings of all four licensing objectives and how they apply to his situation.

I suggested that he labels all containers of beers and ciders with the name and address of the shop to identify if his premises are responsible for that sale. Notices can be placed in the windows asking customers not to disturb the neighbours.

Please suggest conditions that might be acceptable to the authority that will allow you to grant the licence.

Regards,
