Status:	Valid	In support or objection:	OBJECTION
Received:	7 Feb 2024		
<p>I am writing on behalf of the South East Bayswater Residents' Association (SEBRA) to make a relevant representation objecting to this licence application on the basis of the likely impact on the licensing objective of 'prevention of public nuisance'.</p> <p>Introduction SEBRA was formed in 1970 and works to protect the special character of our area. A non-profit, non party-political, voluntary organisation, we represent more than 1,000 people. SEBRA is consulted by Westminster Council on both major developments and all Council activities which affect the daily lives of residents.</p> <p>Background The premises is located in the middle of Queensway, a busy shopping street with commercial units occupying the ground floor and basement with residential units above with the surrounding area predominantly residential. Under the Council's Licensing policy the premises are in the Queensway/Bayswater Special</p>			

Consideration Zone.

SEBRA's position

We welcome the new business to the area and wish all the success to the M&S Food unit.

We note the hours requested for 'off sales' of alcohol are Westminster's Core Hours.

We do not object to a Premises Licence being granted, however we do have some concerns that the seriid issues in Queensway, of crime, noise, anti-social behaviour, begging, rough sleepers etc are not adequately mitigated by the application.

The additional conditions we require are below and these are Westminster's standard conditions for 'off licence' applications in this area.

We would require, as offered, that only 15% of ground floor sales area to be dedicated to sale, exposure for sale, or display of alcohol but also a condition that spirits are to be kept and displayed behind the sales counter, with wine and beer/cider etc to be displayed away from the front entrance of the premises.

We also require and consider essential, Westminster's standard condition for lockable cabinets to be used for wine and beer outside licensing hours (Condition 28).

We also require a condition controlling hours of deliveries and refuse & recycling collections, that they shall not take place between 20.00 and 07 00 the following day.

We also would not want any 'off sales' of alcohol by way of any deliveries such as by Deliveroo without groceries and no deliveries between 23.00 and 07.00

We note standard condition offered regarding no sale of super strength beer, lagers, or ciders to have APV of more than 5.5% alcohol but we also request standard condition re no sale of miniature bottles of 20cl alcohol, shall be sold at the premises.

Also required are standard conditions in Queensway/Westbourne Grove over the Notting Hill Carnival, namely:

On the Sunday and Monday of the Notting Hill Carnival:

There shall be no sale of alcohol in glass vessels from the premises.

There will be no external advertisement of alcohol promotions at the premises.

Conclusion

We are aware of course that applications can be amended, and as ever, SEBRA is very happy for our contact details to be passed now to the applicant and to discuss the operation and application with them.

We reserve the right to make further representation in due course when we have heard back from the applicant or the relevant authorities.

We trust that agreement can be reached with all parties so that a Licencing Hearing will not be necessary.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy SCZ1 applies:	<p>A. In addition to meeting the other policies within this statement, applications within a designated Special Consideration Zone should demonstrate that they have taken account of the issues particular to the Zone, in question as identified within the 2020 Cumulative Impact Assessment, and should set out any proposed mitigation measures in relation to those issues within their operating schedule.</p> <p>B. For the purpose of Clause A, the designated Special Consideration Zone for this application is:</p> <ul style="list-style-type: none"> • Queensway/Bayswater.
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation. 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely. 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises. 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.

	<p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for this application as defined within this policy are:</p> <p>10a. Shops (all licensable activities that are provided as ancillary to the primary use of the premises as a shop except the off sale of alcohol)</p> <p>Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to Midnight. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to Midnight.</p>
<p>Policy SHP1(A) applies</p>	<p>A. Applications for a shop outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1. 2. The hours for licensable activities are within the council's Core Hours Policy HRS1. 3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Latenight Refreshment Delivery Service Policy DEL1. 4. The applicant having taken account of the Special Consideration Zone Policy SCZ1 if the premises are located within a designated zone. 5. The application and operation of the venue meeting the definition of a shop in Clause C. <p>C. For the purposes of this policy:</p> <ol style="list-style-type: none"> 1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment. 2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop. 3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence

4. Equality Implications
