I [REDACTED]. I object vehemently against the licensing application to sell alcohol at the premises. The street is already subject to a massive public health issue with drunk people. There are DAILY occurrences of uncivic behaviour whether it is drunk people shouting or passing out in the street or doorsteps. [REDACTED] a drunk person sleeping [REDACTED] just yesterday afternoon. Selling alcohol in the restaurant and with takeaway will only make the problem worse. Besides, regularly guest coming out of the restaurant late at night are very noisy, if alcohol consumption is permitted at the restaurant it will only get worse.

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

Policy HRS1 applies

- A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
 9. The capacity of the premises.
 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

	<p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p>8. Restaurants Monday to Thursday: 9am to 11.30pm. Friday and Saturday: 9am to 12am. Sunday: 9am to 10.30pm. Sundays immediately prior to a bank holiday: 9am to 12am.</p> <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p>
<p>Policy RTN1 applies</p>	<p>A. Applications outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. Dear [REDACTED],

Thank you for expressing your concerns regarding our liquor license application for our premises. We understand the importance of maintaining a safe and peaceful environment.

[REDACTED].

Allow me to provide some background on the restaurant premises. This establishment has been a licensed restaurant for over 25 years and has remained a cherished spot among local

residents. Regrettably, we overlooked to transferring the licence to our new company. Since our occupancy, we have not received any complaints regarding noise disturbances.

We share your frustration concerning uncivil behaviour and drunken individuals in the vicinity. It's important to note that these issues are not generated by our restaurant. As a business operator, we too experience similar challenges.

However, we recognise your concerns and are committed to implementing the following measures:

1. Responsible service practices: Our staff will be trained to monitor alcohol consumption and intervene when necessary to prevent overindulgence.
2. Alcohol will only to be served in conjunction with a meal and patrons are seated at tables.
3. Noise Management: We will take proactive steps to minimize noise levels when customers leave the premises. Verbal reminders will be given, and notices will be prominently displayed at exits.

We are a dedicated small local business operator and would ensure that our operations have

a minimum impact on [REDACTED] in the area.

Yours Sincerely,

China Centre Pimlico Ltd
